

Special Dietary Requests

(Due 1 week before retreat)

Retreat Group: _____ Retreat Date: _____

We look forward to the opportunity to serve you and your guests through meeting your group's special dietary needs during your retreat stay at GENEVA Camp & Retreat Center. Our meals are Chef's choice, served buffet style with several healthy and enjoyable options to choose from. Please feel free to send a separate list of dietary concerns if they do not fit this form.

At the first scheduled meal of your retreat, please have those with special dietary needs identify themselves to the Food Service staff to ensure that all specific dietary needs are met.

The Food Service Department will contact guests if there are any questions regarding specific requests. If you or a guest may wish to discuss this information in more detail, please call GENEVA Camp & Retreat Center at (616) 399-3150 and ask to be forwarded to Dennis Wagner or Bob Wiley.
